## THE JEWS ARE A SICKENING AND PERVERSE RACE

**Traitor666**

November 18, 2013

Howard Jacobson. This horrible pervert Jew presented the recent UK television series 'The Bible – A History'.

On 17 September 2008, the essay, *In Praise of Perversion*, by best selling author, Howard Jacobson, was published in *The Independent*.

This said:

*"WE ARE ALL SICK IN OUR WAY. In the erotic life of men and women there is no such thing as health... We are philosophers by virtue of our sexual appetites, not despite them. WE SHOULD ACQUAINT OURSELVES WITH PORNOGRAPHY, IN WHATEVER FORM IT TAKES. In its ominous nothingness, pornography familiarises us with humiliation... Winning is a dead end, in sex as in everything else..."*

*Sex is for nothing, pornography teaches. I feel about prostitution as i do about pornography that A MAN OUGHT TO AVAIL HIMSELF OF WHATEVER IS ON OFFER. Paid-for sex, in all its varieties sex stripped of responsibility and sentimentality answers to imperatives which respectable courtship and marriage prefer to ignore.*

*Whenever I encounter a man who says he has never visited a prostitute, either because the thought appals him or, as is more commonly asserted, because he doesn't need to pay for sex, thank you very much, I BELIEVE THAT HE IS LYING, OR, WORSE, THAT HE IS A FOOL. We want sex to take us as close to death as life allows... ALLOW LOVE TO BE ITS OWN PERVERSION... Better to be familiar with one's nature and accepting of its shameful depths, than to flounder hopelessly... Perverted or obsessive sex lands up in an emotional cul-de-sac, rubbing at its single itch, finding pleasure only in the one thing endlessly repeated or exacerbated – more and more pain, more*

and more pornography, more and more visits to houses of ill repute. But that which we call respectability fares no better. The endearments of the long happily married fulfil the same function, and in the narratives of their cheerful longevity one always detects the cruelty of opportunities foregone, disappointment, equivocation, compromise, and a haunted curiosity as though they know they will go to their graves with the majority of their questions unanswered.

“YOU CANNOT... ATTAIN THE POISONED BLISS VOUCHSAFED TO THE DISSOLUTE AND THE DERANGED IF YOU ARE CAUTIOUS AND WELL-ADJUSTED. We are fools ever to be censorious about the sexual lives of others. The rest of us have no business being superior... What's odd is not how Max Mosley passes his time away from motor racing administration but why more of us don't turn our hands to something similar...

“We cannot live forever in pretence. Some doing, outside the mind, is necessary... The best eroticism can do against the law, in so far as it has a choice in the matter, is to keep pushing the boundaries... We grow a little freer when we read de Sade's One Thousand Days of Sodom...

“Whatever our education and our civic institutions try to lull us into believing about the nature of desire, we must find the space to think, and where possible to act, rebelliously, refusing all attempts to confine us to the hell of the normative... It is too cruel that... we are should ever have been made to think there is a right way and a wrong way of conducting ourselves sexually... THE STRAIGHT AND NARROW HAS NEVER YET MADE ANYONE ANYTHING BUT MISERABLE.”

Thus spake a Jewish pervert.

**Richard Desmond, the owner of *The Daily Express* and *The Star* is Jewish.**

He made his fortune as a pornographer. The last time I looked, he still owned the porno magazines: *40-Plus*, *50 and Over*, *All Girl Action*, *Amateur Video*, *Asian Babes*, *Best of Asian Babes*, *Best of Big and Black*, *Best of Big Ones*, *Big and Black*, *Big Ones*, *Best of Electric Blue*, *Bumper Video Pack*, *Contact Girls*, *For Women*, *For Men*, *Genuine Wives*, *Horny Housewives*, *Mothers-in-Law*, *New Talent*, *Only 18*, *Pantie Parade*, *X-Treme*, *Young and Old*. *Nude Readers' Wives*, *Readers' Wives*, *Real Wives*, *Red Hot Pack* and *Stuffed* amongst others.

He also owns *The Fantasy Channel* and the satellite station *Television X*, which used to feature (it may still for all I know) such programmes as *Sorority Sex Kittens*, *Spunk S\*\*\*ing Sluts* and *Jane's Big Jug Jamboree*.

Desmond donated £100,000 to New Labour by way of a 'thank you' for not opposing his bid for Express Newspapers. Tony Blair invited him to Downing Street for a chat on the day the sale went through.

The former 'pornographer-in-chief' of *Channel 4*, Michael Grade, is Jewish; just as the hard-core former *Channel 5* boss, David Elstein, is Jewish also. Robert Maxwell, of *The Daily Mirror's* Page 3 fame, was Jewish as well.

It's a bit difficult to know whether Rupert Murdoch, whose *Sun* newspaper originated Page 3, is Jewish or not, however, he has been the world's no. 1 media Zionist for almost four decades now.

**In the Winter 2005 edition of *The Jewish Quarterly*, in an article titled *Triple Extnics*, Professor Nathan Abrams trumpets the Jewish role in pornography thus:**

“A story little told is that of Jews in Hollywood's seedier cousin, the adult film industry. Perhaps we'd prefer that the 'triple extnics' didn't exist, but there's no getting away from the fact that secular JEWS PLAYED (AND STILL CONTINUE TO PLAY) A DISPROPORTIONATE ROLE THROUGHOUT THE ADULT FILM INDUSTRY IN AMERICA.

*Jewish involvement in pornography has a long history in the United States, as Jews have helped transform a fringe subculture into what has become a primary constituent of Americana. These are the 'true blue' Jews.*

“Jewish activity in the porn industry divides into two (sometimes overlapping) groups: pornographers and performers. Though Jews make up only two per cent of the American population, they have been prominent in pornography...

All Intelligent People in History Disliked Jews

“ In the postwar era, America’s most notorious pornographer was Reuben Sturman, the ‘Walt Disney of Porn’. According to the US Department of Justice, throughout the 1970s STURMAN CONTROLLED MOST OF THE PORNOGRAPHY CIRCULATING IN THE COUNTRY... It was said that Sturman did not simply control the adult-entertainment industry; he was the industry...

“ Many are entirely secular, Jews in name only. Sturman, however, identified as a Jew – he was a generous donator to Jewish charities... Is there a deeper reason, beyond the mere financial, as to why Jews in particular have become involved in porn?...

“ Al Goldstein, the publisher of Screw, said ‘The only reason that Jews are in pornography is that WE THINK THAT CHRIST SUCKS. CATHOLICISM SUCKS. We don’t believe in authoritarianism’.

“ PORNOGRAPHY THUS BECOMES A WAY OF DEFILING CHRISTIAN CULTURE AND, AS IT PENETRATES TO THE VERY HEART OF THE AMERICAN MAINSTREAM, ITS SUBVERSIVE CHARACTER BECOMES MORE CHARGED...

“ Extending the subversive thesis, Jewish involvement in the x-rated industry can be seen as a proverbial TWO FINGERS TO THE ENTIRE WASP ESTABLISHMENT IN AMERICA... Jewish involvement in porn, by this argument, is the result of AN ATAVISTIC HATRED OF CHRISTIAN AUTHORITY: THEY ARE TRYING TO WEAKEN THE DOMINANT CULTURE IN AMERICA BY MORAL SUBVERSION...

“ JEWS WERE ALSO AT THE VANGUARD OF THE SEXUAL REVOLUTION OF THE 1960S. Wilhelm Reich, Herbert Marcuse and Paul Goodman replaced Marx, Trotsky and Lenin as required revolutionary reading...

“ In light of the relatively tolerant Jewish view of sex, why are we ashamed of the Jewish role in the porn industry? We might not like it, but the Jewish role in this field has been significant and it is about time it was written about seriously.”

On 2 August 1997, *The Jewish Chronicle* reported thus:

“ Police were called to Stamford Hill, the heart of the strictly Orthodox community in London, during the weekend, when bricks were hurled at a house, a car was attacked by a crowd armed with metal bars, and a family was forced to leave its home.

“ Police reports said over 100 people were involved in disturbances on Saturday and Sunday nights. The violence flared during demonstrations by strictly Orthodox Jews against the sentencing of 18-year-old Stamford Hill resident Eli Cohen for indecent assault against a five-year-old girl.

Trouble started early on Friday evening when a brick smashed a window at the home of the girl’s family, who cannot be named for legal reasons. As Shabbat ended the father of the family was warned that demonstrations were likely. His wife left the house and drove away, keeping in touch with her husband by car phone. ‘I was in the car, together with two daughters of a family friend, when a large number of men stopped cars in front of me and behind me and then took metal bars to try to smash the windows,’ the mother said.

“ One man who witnessed the demonstration outside the family’s home said: ‘The street was crammed solid with people. The crowd were chanting ‘moiser’, (a Jew who gives evidence against another Jew to a non-Jew) and ‘get out of town’.”

The Jewish community of Stamford Hill was furious for two reasons. Firstly, that charges were brought against a Jew for something that many Orthodox Jews do not regard as a crime. Secondly, that the little girl's parents had committed the unforgivable sin of mesira by reporting the rape of their daughter to the Gentile authorities.

The Orthodox Jews who went on the rampage in Stamford Hill did so because one of their own was under attack and the penalty that the authoritative compilation of commentary on Jewish oral law, *The Talmud*, prescribes for a Moser, a Jew who gives evidence against another Jew to a non-Jew, is death.

The fact that Eli Cohen is a child-molesting paedophile was of no concern to these. As for the 5-year-old girl who was molested, they could not have given a toss about her either.

Do you want to know why? In *The Talmud, Kethuboth, 11a-11b*, it says: (in the unedited versions)

“When a grown up man has intercourse with a little girl, it is nothing, for when the girl is less than this it is as if one puts the finger in the eye, tears come to the eyes again and again, so does virginity come back to the little girl under three years.”

Now, I guess the nit-picking Rabbi could argue that the law quoted above is attempting to protect the legal status of the girl's virginity, in respect of her future marriage prospects, and is not encouraging paedophilia, but I don't think too many others would want to dispute similarly.

When confronted with the kind of Talmudic guidance and logic as that found in *Kethuboth*, some liberal-minded Jews can't actually stomach what they find. As Jane Litman found, when faced with the teachings of the ancient Rabbis, the odd Jewish innocent responds by arguing that they couldn't have possibly meant what they wrote. In her September 2000 essay, *Working with Words of Torah*, Litman told us this:

“The background sound in the small library is muted but intense. Pairs of scholars lean over their Talmudic texts whispering energetically, trying to puzzle out the meaning of the particular sugya, passage.

The teacher directs them back toward the group and asks for questions. One student raises a hand: ‘I don't understand verse 5:4 of the tractate Niddah. What does the phrase ‘it is like a finger in eye,’ mean? The teacher responds:

This refers to the hymen of a girl younger than three years old. The Sages believed that in the case of toddler rape, the hymen would fully grow back by the time the girl reached adulthood and married. Therefore, though violated, she would still technically be counted as a virgin and could marry a priest.

It's an analogy: putting your finger in the eye is uncomfortable, but causes no lasting harm.’

There is a collective gasp of breath among students. Their dismay is palpable. They do not like this particular Talmudic text or the men behind it. But its authors, the Talmudic rabbis, hardly wrote it with this particular group of students in mind, mostly thirty, and forty-year old women in suburban Philadelphia taking a four-week class titled ‘Women in Jewish Law,’ at their Reform synagogue. The questioner persists.

I don't understand. Are you saying this refers to the rape of a three year-old girl?’

‘Or younger,’ the teacher responds dryly.

I don't see how it says anything about rape and hymens. You must be mistaken. I don't believe the rabbis are talking about rape at all. I think this statement has nothing to do with the rest of the passage.’

The teacher (I'll admit now that it was me, a second-year rabbinic student) responds: ‘Well, that's the common understanding. What do you think it means?’

*The woman is clearly agitated. 'I don't know, but I do know that it couldn't be about child rape.'*

*This is week three of the class. The woman does not return for week four."*

There are bits of *The Talmud* that come to the rescue of the Orthodox doubter. If the violated child is of non-Jewish origin paedophilia does not seem to be regarded as too much of a sin. Thus, in *Abhodah Zarah* (unedited versions) 37a, it says:

*"A Gentile girl who is three years old can be violated."*

The pre-eminent Jewish historian, Israel Shahak, also suggests that the ancient Jewish sages were pretty forgiving of the believer who forced himself upon a female of any age, as long as that female was not a Jew.

Thus, in his magnum opus, *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, (1994) Shahak says:

*"According to the Talmudic Encyclopedia: 'If a Jew has coitus with a Gentile woman, whether she be a child of three or an adult, whether married or unmarried, and even if he is a minor aged only nine years and one day, because he had wilful coitus with her, she must be killed, as is the case with a beast, because through her a Jew got into trouble.*

*The Jew, however, must be flogged, and if he is Kohen (member of the priestly caste) he must receive double the number of lashes, because he has committed a double offence: a Kohen must not have intercourse with a prostitute, and all Gentile women are presumed to be prostitutes'...*

*This does not imply that sexual intercourse between a Jewish man and a Gentile woman is permitted, quite the contrary. But the main punishment is inflicted on the Gentile woman; she must be executed, even if she was raped by the Jew."*

**On 11 January 1998, an article titled 'Slave-Traders Lure Slavic Women,' by Michael Specter, appeared in the *New Orleans Times Picayune*.**

*"The story begins with a beautiful Ukrainian girl answering an ad in a local newspaper promising work in Israel. She was promised a new world, and for a while everything seemed possible.*

*Then, one morning, she was driven to a brothel, where her boss burned her passport before her eyes. 'I own you,' he said. 'You are my property, and you will work until you earn your way out. Don't try to leave. You have no papers and you don't speak Hebrew. You will be arrested and deported. Then we will get you and bring you back.'*

*The government deports only a small percentage of the girls they find with no immigration papers. Even so, almost 1,500 Ukrainian women have been deported from Israel in just three years in late 1990s. If the women dare to file a complaint against their bosses, they must remain in prison until a trial is held. Specter says the prison director at Neve Tirtsa stated she did not know of a single girl who chose to testify against her slavemasters. The slaver is protected by the Israeli system, the victims are punished."*

Specter continues, quoting Jacob Golan thus:

*"Israelis love Russian girls... They are blonde and good looking and different from us," he said, chuckling.*

*The Jewish gangs in Russia have strong connections with Jewish organized-crime syndicates all over the world. According to the Ukraine's interior ministry, an estimated 400,000 women under the age of 30 were lured from the Ukraine in the past decade in the 1990s. The International Organization for Migration estimates that 500,000 Eastern-Block women are trafficked into Western Europe and around the world annually."*

In his February 1998 essay, *Jews and the White Slave Trade*, 'Dr William Pierce tells us this:

*"On page 44 of the April 1988 edition of Moment Magazine, (the Magazine of Jewish Culture and Opinion) an article titled Hookers in the Holy Land, discusses the oldest profession, and states that prostitution with blonde Russian girls is a 'national institution.' It describes the whorehouses' customers, and says that these include rabbis riding bicycles to the brothel.*

*We are told that a good percentage of the customers are ultra-Orthodox Jews, pious men whose lives are guided by a Jewish religious law, which tells them when they can or cannot have sex with their wives. So, on Thursday afternoons, busloads of Orthodox Jews travel to Tel Aviv for sex with a Russian prostitute.*

*'The entire spectrum of Israeli society is keeping the hookers in business,' claims Detective Shachar, of the Tel Aviv vice squad. 'Once the girls arrive in Israel, the crime bosses take over. The girls are usually taken to an 'auction house,' where the owners of the various massage parlors can bid on the talent – each one offers a price, and the highest bidder gets the girls...*

*The girls are virtual slaves... They find that (some of) their Jewish customers only come to them after a Palestinian terrorist act to get their own brand of sexual revenge laced with racial-nationalistic fervor... and they do it with hate and anger."*

In the August 2000, edition of *Free Speech*, Dr. Pierce adds:

*"I have on my desk at the moment a news item from Brazil. It... was reported by Reuters news agency. It is about a child prostitution ring operated in Brazil by Israeli diplomats in order to satisfy the sexual appetites of Israeli tourists... The head of the child prostitution ring is Arie Scher, Israel's consul in Rio de Janeiro. The ring recruited girls as young as nine years old and organized sex parties with the children for Israeli tourists.*

*One of the child prostitutes was questioned by Brazilian police and led them to the home of a Hebrew language teacher in Rio, Georges Scheinberg, (left) where police seized photographs of hundreds of naked children and videos taken at sex parties with the children.*

*Viewing the videos, police officials recognized the swimming pool and deck of the Israeli consul, Arie Scher, (right) which was the scene of many of the sex parties.*

*I'll quote directly from the Reuters news report: 'Police said a young girl testified she was filmed and photographed by the teacher, Georges Scheinberg, having sex with Israeli tourists. She also explained that Scher participated in some of the sessions... We confirmed that the pornographic pictures were taken next to the consul's pool and on his deck,' said Roberto Costa, a chief investigator for the civil police.'*

*Arie Scher was immediately whisked out of Brazil by the Israeli government before the Brazilian police could question him. Now, why is this story significant? After all, among every nationality there are perverts and degenerates and child molesters. Yes, but not every government is involved in child prostitution.*

*Are we supposed to believe that the Foreign Ministry back in Jerusalem didn't know that one of their diplomats was using the consular residence in Rio de Janeiro to entertain big-shot Israeli tourists with sex parties featuring children? Are we supposed to believe that Israel's super-efficient intelligence apparatus wasn't aware of what Jewish tourists were doing at the consular residence? And doesn't this sort of thing fit right in with the Israeli government's toleration of forced prostitution and White slavery?...*

*The problem is not abstract... It shatters the lives of real women and children... In Russia, for example, traffickers prey on orphanages. In a typical scenario, a trafficker will pay an orphanage director approximately \$12,000 to take a group of children on a 'field trip' to the local McDonald's, for example. Groups of children will then leave the orphanage with the trafficker and never be seen or heard from again.' Those were the words of New Jersey's Congressman Christopher Smith, introducing a bill into the House of Representatives...*

*Congressman Smith, of course, did not dare to identify the slave traders who abduct Russian girls from orphanages and force them to become sex slaves, but I'll tell you who they are. They are members of the Organizatsiya, the Jewish organized crime syndicate misleadingly referred to by the media in this country as the 'Russian Mafia'...*

*Jews don't operate in a vacuum, of course. In Russia and Ukraine, for example, where the Jews currently obtain most of the girls and young women they enslave for the sex trade, they depend upon a corrupt environment. The Jewish slave trader who abducts young girls from an orphanage in Moscow or St. Petersburg, as related by Congressman Smith, depends upon a corrupt official in charge of the orphanage who will accept a bribe to let the Jew take the girls on the 'field trip' from which they never return. In Russia the official corruption permeates every level of government...*

*The FBI and many other police agencies in America recognize the threat posed by the Organizatsiya, or 'Russian Mafia,' as the media insist on calling it in order to keep the public from realizing its Jewish nature. In money laundering, drugs, gambling, the slave trade, child prostitution, illegal weapons dealing, organized car theft, insurance fraud, securities fraud, you name it, organized Jewish gangsters from the former Soviet Union are rapidly dominating organized crime activities in the United States... They all carry Israeli passports, and when one of them is in danger of arrest he simply catches the next plane to Tel Aviv, where he is safe from extradition.*

*There are other factors involved, however, which make the Organizatsiya infinitely more dangerous than the Italian Mafia ever was. Police agencies, including the FBI, are very hesitant to crack down on these Jewish gangsters because they are Jews, and the first thing a Jewish gangster does when he is arrested is proclaim his innocence and accuse the cops who arrested him of being 'anti-Semitic' and using 'Nazi tactics'...*

*A much more substantial shield for the Organizatsiya is corruption. The Italian Mafia, of course, used to bribe cops on the beat, police officials, judges, prosecutors, mayors, governors, and other politicians in order to stay in business. The difference is that the Jews use corruption much more effectively than the Mafia ever did. A corrupt politician taking money from the Mafia always had to worry about being exposed by the media. Italians didn't control the media.*

*A politician in the pocket of the Organizatsiya, on the other hand, has very little worry that he ever will see a headline in a Jewish newspaper accusing him of taking bribes from the Jews. Soviet Jewish gangsters are invited to the White House and to Democratic Party fund-raising dinners, where they can have their photographs taken with Bill Clinton. That just doesn't happen with the Italian Mafia...*

*Certainly, not every Jew is involved in slave dealing or child prostitution or welfare fraud or is a member of the Organizatsiya or, in the case of older Jews, belonged to the Communist Party.*

*But... you didn't hear about the Israeli consulate in Rio de Janeiro being a center for child prostitution until I told you about it today. The nice, non-communist, non-gangster Jews who control your media thought that it would be better for you not to know about it."*

In 2000, Robert Friedman (the Jewish author of *Red Mafiyaa: How the Jewish Mob Invaded America*, described Seimon Mogile as 'one of the world's biggest traffickers in women, Eurasian women. Mogile is Jewish.

The Republican Congressman, Christopher Smith, whom Dr. Pierce mentions above, was quoted thus in the 3 October 2000 edition of *World Net Daily*.

“Lydia is approached on the street by an older, beautifully dressed woman who befriends the girl and her friends. The woman tells the girls they are beautiful enough to become models. After taking Lydia and her friends to dinner and buying them small gifts, the older woman invites the girls to her home for a drink, which is the last thing they remember. Having been drugged, Lydia awakes in another country...

“Lydia has no papers, she doesn't speak the language of the country to which she's been brought and when she tries to escape, she is beaten and drugged. Soon becoming addicted to the drugs used to control her, Lydia is forced to sexually service 10 to 20 men every day and the proceeds go to her captor. When police raid the brothel, Lydia is seen as a drug-addicted prostitute who has contracted several venereal diseases. She is arrested and prepared for deportation.”

**A 27 September 2000 Reuters news dispatch from Naples stated:**

“Police said on Wednesday they had arrested eight Italians suspected of belonging to a child pornography ring that traded videos over the Internet, including films of Russian children who were abused to death.

“Police specializing in Internet crime told reporters that their 19 month investigation had given them enough information to begin investigations into 1,700 people suspected of buying the material over the web... They said three people in Moscow ran an operation to kidnap children from orphanages, circuses, and public parks and film them while they were forced to commit sexual acts.

*Police said they had intercepted some 3,000 tapes and CDs and digital video discs of child pornography, including some involving children only several months old. The packages were intercepted at the Italian border when they arrived by mail and were repacked. They were then delivered to the addressees by undercover police officers disguised as postal workers and carrying hidden cameras.”*

A few courageous Italian newsmen took the extraordinary step of televising some horrifying excerpts from these videos the day after the raids. In a news report viewed by 11 million Italians the newsmen bypassed the regular TV news directors and broadcast on prime time television video footage showing Russian children being raped, tortured, and killed.

Immediately after the Italian TV broadcasts, the news director of the government-run television network, Gad Lerner, who is Jewish, came on the air and apologized, explaining that the material had been included in the news program without his knowledge, and the Italian news executives who had made the decision to broadcast the shocking video footage had been forced to resign.

The damage had been done, however, and after that even the *Associated Press* felt obliged to report something about the affair. Two days after the police raids and the day after the Italian TV news exposure of the affair, their 29 September report appeared. This is it:

“Police said they had broken up an online international child pornography ring, arrested eight Italians and three Russians, and seized thousands of videos and photographs. The Russian-run ring, which distributed an explicit catalog on the Internet, catered to clients in the United States, Germany, and Italy. Its inventory included films of children being tortured and killed...

*Investigators say the pornography ring produces and distributes images showing children as young as two years old being sexually abused. Some of the victims reportedly were stolen from*

*orphanages, others from families. Its catalog offers films of killings for about \$20,000 and images of people having sex with children for about half that."*

What neither of the above reports dared to mention was that the '*three Russians*' who had supplied the original material were Jewish.

On 4 January 2001, **Seth Bekenstein**, described by Federal authorities as the West Coast distributor for a child-pornography ring operating in Moscow, was arrested. Allegedly, the operation kidnapped, tortured, raped and murdered Russian children. Bekenstein, the man with the money who kept the whole operation going, distributed the videos after their arrival in the US.

On 4 January 2002, he was sentenced to just 18 months imprisonment after pleading guilty to various of the charges levelled against him. He served six months of his sentence.

The above mugshot is of a man called Seth Bekenstein who was arrested by the cops in Portland Oregon in March 2011. He was 49 years old at the time. The pervert arrested in 2001 was 39 years old. I cannot be one hundred percent sure that they are the same men.

I can, however, be certain of the fact that **Joshua Bekenstein**, the billionaire hedge fund dealer, is the brother of the aforementioned degenerate.

Now, if that hasn't caught your attention you should stop visiting this site, switch on the TV and settle down for a lesson from the heirs of those who created a world where a creature like Bekenstein can flourish.

Remember, folks, the point of my bringing this material to your attention is not to convince or to evangelise, it is to get you to begin to investigate. Once you have begun to seek the truth for yourself a major battle has been won. Once you have begun to question what you previously took for granted, you are already waging war.

**P.S.** Hands up who'd be happy to have a nice, very successful, Jewish boy by the name of Howard Jacobson babysit your children?

Thought so.

People have only 2 choices-evolve forward into angelic beings of love and truth-as Jesus the son of God teaches,  
Or what everyone is doing: Devolve backwards into demonic evil entities, as the jews-sons of Satan teach-and preach and tell us is good-the jew says good is evil and evil is good-Like Jesus, they have no other choice-they are the enemies of God and all that is good-liars and murderers-they want you all in Hell forever.

The only choice is ours-to follow Jesus and become worthy of heaven-to love and be truthful and do good-as all do in heaven which is why it is heaven-or to do as the jews do and make earth a hell too-like the one they come from, earth will be either a heaven or a hell-depending on which one you choose to follow. In Hell everyone is like the jews-they just want to torture and destroy life-with no conscience-no mercy no compassion no empathy-as in the wars that make satan/rothschild AKA Rockefeller rich.

Choose money/satan or choose God.

No one who loves God could abide God's enemies-the jews

Stop serving satan-put an end to money/capitalism-debt which is satanic- and the end to all jew's power to make this world like their true homeland-Hell.
